

# Release Notes 2017-09-13

## New Features and System Updates

- Session errors that occurred while initiating Mobile Pre-Check were resolved.
- Tasks are now being re-calculated when appointments are modified.
- Aetna – We can now display the Standard Plus Savings copay.

**Please contact Stephanie Servy at [sservy@clearwaveinc.com](mailto:sservy@clearwaveinc.com) with any questions or to enable any new features.**

### Scope of Release

The release will impact the Kiosk, Provider Portal, Eligibility, Integration and Mobile Pre-Check. The actual release should have minimal effect on user workflow.
