

# Release Notes 2019-02-27

- Mobile Pre-Check TM users can now fully manage and/or delete their insurance records during the pre-check. The changes will be reflected on the corresponding appointment.
- Stricter default kiosk matching logic changed to +/- 1 year when performing fuzzy date of birth matching. It was previously +/- 7 years.

**Please contact Clearwave Support at [support@clearwaveinc.com](mailto:support@clearwaveinc.com) with any questions, feedback or to enable any new features.**

Scope of Release

The release will impact the Kiosk and Provider Portal. The actual release should have minimal effect on user workflow.
